# New features

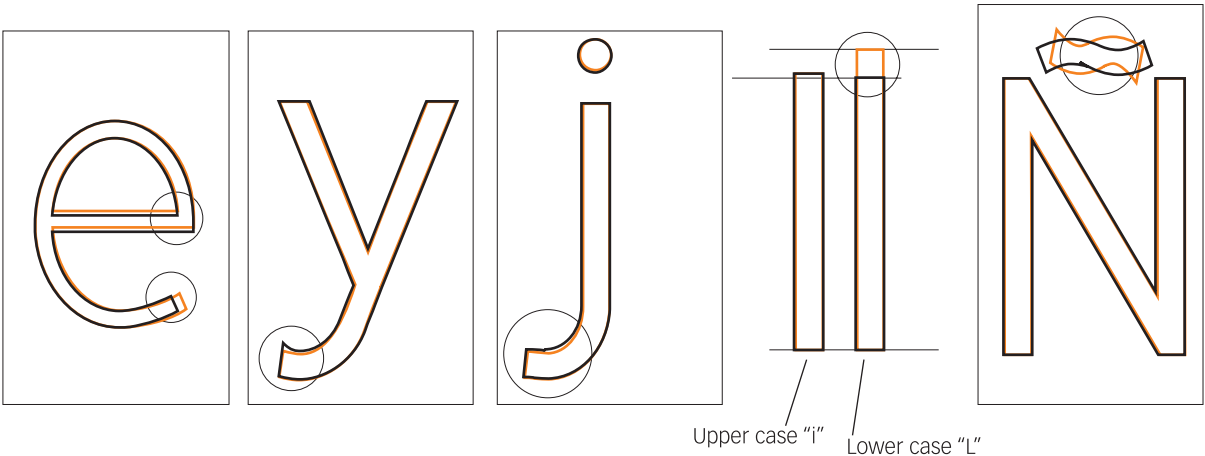

## Corrected signs

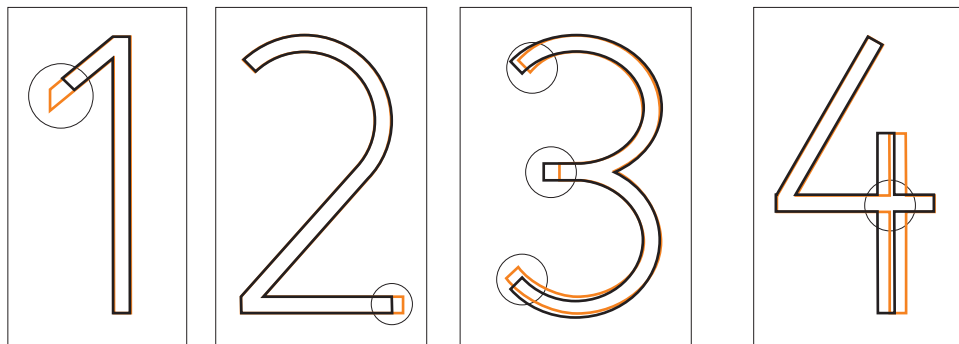

The tails have been cut in many letters to continue his original form, the curved tails were because of the computer automatism applied in them

Another forms have been modified and corrected. Like the lower case "l", higher than the upper case "i"

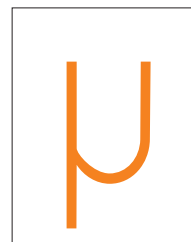

Some numbers also have been modified

## New signs and redesigned

New signs have been added and redesigned to get a more completed font

# The Italic

The Italic series are now a bit more slanted.
